

Tips to Help You Choose

Need help choosing a health plan or PCP?

You must choose one of these health plans, Family Health Network, Harmony Health Plan, Illinois Health Connect or Meridian Health Plan, and choose a doctor or clinic to be your Primary Care Provider (PCP).

TIP 1

Choose the best plan for you:

- Read ***Your Health Plan Choices*** to learn about the services you can get from each plan.
- Read ***How to Enroll in a Health Plan*** to learn how to enroll (become a member) in the health plan you choose.

TIP 2

Think about your answers to these questions:

- Do you want to keep your doctor or clinic, or do you want a new doctor or clinic?
- Does the health plan have the doctors, hospitals and specialists you use?
- What extra services does the health plan have?

TIP 3

Choose for each person:

- You can choose the same plan for everyone in your family. Or you can choose different plans.
- You can choose the same PCP (doctor or clinic) for everyone, or you can choose different PCPs.
